The organisers reserve the right to accept or refuse an entry without assigning a reason. Entries are required to be prepaid. Late entries shall be considered. Late entries lodged after the closing date may be accepted but shall not be included in the program. Late entry fee is \$50.00. Contact Wakefield Park office to discuss your circumstance in the first instance.

**10.2 Entry Form:** Entry for this event can be conducted in one of 2 ways:

**Electronically: Via the Wakefield Park 'competitor's portal' on the home page of the website:**

([www.wakefieldpark.com.au](http://www.wakefieldpark.com.au)).

**Manually:** Download the entry form off the Wakefield Park website, complete in full including Credit Card details and return via mail to "Entry Secretary, Wakefield Park" P.O Box 151 Goulburn NSW 2580.

Any late entries shall be at the discretion of the promoter. Entries fees are the same as last year; \$220 for race/regularity entry, \$150 2<sup>nd</sup> car/same driver, Cross entry \$120, Garage \$120, Carport \$60

**NOTE:** Enough time should be allowed for Aus Post delivery service, garage/carport allocation is on first in/first served basis.

**10.3 Competition Numbers:** The earliest application for any specific competition number shall be given preference. Failure to complete the entry form may jeopardize your entry ie First come first served. "TBA" is not acceptable for driver names.

**10.4 Additional Driver:** Competitors wishing to nominate an additional driver to compete in their car must pay an entry fee of \$120.00.

**10.5 Passes:** Each entrant will receive 4 passes and 1 x tender pass

**10.6 Refund of entry fees:** Entry fees shall not be refundable except (a) in the case of abandonment cancellation or postponement of the meeting; or (b) in the case of entrants whose cars are withdrawn by written advice to the Secretary of the meeting **no later than ten days before the meeting**. A fee of \$50.00 shall be charged to cover administration costs associated with a refund. Organisers reserve the right to enter competitors in different events from those nominated.

**11. Fields:** The following fields are proposed: Divisional Races – for driver enjoyment. Regularity – vehicles again in Divisions for driver enjoyment. The number of entries accepted for the meeting may be restricted to the first 40 received in each division. If there are insufficient entries in any one field the organizers may combine fields where it is safe to do so.

**12. Scrutineering:** All cars shall be scrutineered in the Scrutineering Bay before participating. It is recommended that A fire extinguisher to AS1846 or AS1848 or AS1841 (Min 1Kg capacity) must be securely fitted in all cars. An oil breather catch tank of at least 1 litre capacity must be fitted to cars. Carburetors must have TWO throttle return springs fitted, set up so the throttle returns to idle if linkage slips or breaks. Sump, gearbox, and diff plugs need to be wired, or tightened in presence of a scrutineer. Headlight lenses are to be taped or covered to prevent glass breakage by flying stones. Front opening bonnets on vehicles require a secondary catch system to prevent bonnet lifting in the event of original catch failure. All vehicles competing **MUST** be fitted with a tow hook.

**13. Minimum Practice Required:** All drivers, other than those who hold the appropriate competition licence and have previously competed or practised at Wakefield Park Raceway shall be required to complete at least three practice laps. In any case and with the approval of the Clerk of Course, drivers not completing such laps at the

meeting shall be relegated to the rear of the field at the start of scratch races.

**14. Starting Grid Positions:** Grid positions shall be determined on qualifying times for the first scratch race unless otherwise specified. In these events starters shall be the fastest qualifier first from practice times with the remainder of the field at the discretion of the organisers. In all other events the grid positions shall be determined by the finishing order of the previous race or regularity trial, i.e. progressive grids.

**15. Roll Over Bars:** All cars running in speed events are to be fitted with Roll Over Bars. With the driver seated as is customary when driving the car in a speed event Roll Over Bars shall be at least as high as the top of the driver's helmet, ideally 50mm higher than the driver's helmet, braced either fore or aft, be sufficiently wide to protect the driver's shoulders, and be no further than 150mm from the driver's helmet. Exceptions to this requirement for cars which cannot be fitted with Roll Over Bar/s without severe or adverse effects to the car's originality and genuineness may be granted by the organisers. Where such an exemption is granted the owner/s and driver/s shall be required to sign a form stating that they understand the extra risks involved which may result in injury and/or death. Drivers wishing to drive cars without a Roll Over Bar must demonstrate that they are sufficiently competent and have sufficient and extensive race experience to conduct a car without a Roll Over Bar in a speed event. Refer AASA NCR's Appendix #1

**16. Protests:** Protest Professions as stated in section 12 of the AASA National Competition Rules (NCR's) are not in effect for this Race Meeting. All matters will be dealt with via Clerk Of Course & Steward on the day.

**17. Programme:** shall be issued at the event.

**18. Apparel:** All race drivers must wear apparel in accordance with current AASA Race meeting regulations.

18.3. Regularity & Demonstration Drivers must wear a minimum standard of leather shoes, gloves and neck- to-ankle- to- wrist clothing of a non-synthetic nature is required. We recommend that a higher standard of protective clothing be worn, where possible. Goggles with approved lenses must be worn at all times by the drivers of open cars (unless wearing full face helmets). Please submit these articles for approval with the car at Scrutineering. Refer appendix 4 AASA NCR's (apparel requirements)

**19. Awards:** Awards shall be provided for 1st, 2nd and 3rd place in each class of event conducted with 6 or more participating vehicles. Awards may comprise certificates or trophies with a presentation being conducted at the Sat evening social function.

**20. Noise Control:** Wakefield Park operates under very strict guidelines in relation to the noise vehicles emit as part of events held at Wakefield Park. A noise restriction of 95dB measured at 30 metres from the edge of the competition area applies for this event. Any vehicle detected as exceeding the limit set for the event shall be withdrawn from activities and an opportunity given to make adjustment to the vehicle to reduce noise. If however the vehicle noise cannot be reduced, then the vehicle shall be excluded from any further activity at Wakefield Park and asked to leave the facility until such time as suitable reduction in noise can be achieved. Unnecessary running of vehicle engines above idle before 9am is prohibited. Excessive engine noise or failure to comply with Wakefield Park noise controls may result in exclusion from the event at the discretion of Wakefield Park management.

**21. Timing:** Cars competing in race events shall be timed by an electronic timing device. All competitors at this meeting are required to have an operating Dorian Data1 transmitter fitted to their vehicles to enable their lap times to be recorded.

Dorian Timing shall be in use for those vehicles competing in Regularity events. The cost of hire for these timers is included in your entry fee for the weekend. Drivers who do not return timers to the Timing Team in the control tower at the end of the event shall incur a cost of \$500.00.

**22. Markings on cars:** Cars must display their allocated competition numbers preferably on the bonnet sloping towards the near side of the vehicle.

**23. Starting procedure:** All Events shall be started with the National Flag. For races, when the starter is satisfied that all cars are correctly positioned on the grid, he shall raise the flag. The starter shall drop the flag approximately 3—8 seconds later to indicate the race has started. Regularity cars shall be started in rows of two with a time interval of at least two seconds between each row. The full procedure shall be reviewed at the Drivers Briefing.

**24. Drivers' briefing:** To be held after practice and before the commencement of racing. Attendance at such briefing is compulsory. The venue shall be advised in the Further Regulations. A penalty may apply if you do not attend. All drivers must sign on at the Driver's Briefing. There shall also be a special briefing for any competitor

who has no prior Wakefield Park circuit experience.

**25. Drugs & Alcohol:** Consumption of drugs and alcoholic liquor by drivers or pit crew is forbidden in any area prior to the completion of the meeting. Such consumption is forbidden for anyone in the pit or paddock area at any time during the conduct of the Meeting. Any person at the meeting may be tested for the presence of alcohol and/or drugs (or other banned substances) and subject to a penalty(ies) for a breach in accordance with Australian Sports Commission policy as implemented by the Australian Sports Drug Agency.
